**Broadway Subway Project Early Works  
Manhole Inspection and Survey – East 8<sup>th</sup> Avenue**

Early pre-construction work is currently underway to prepare for construction of the Broadway Subway Project, which is anticipated to begin this fall.

**Manhole inspection and survey work will be undertaken at the following locations:**

- Intersection of St. George Street and E. 8<sup>th</sup> Avenue – northeast corner in sidewalk
- Driveway of 288 E. 8<sup>th</sup> Avenue

Due to safety considerations (the flows in the interceptor are lower overnight than in the daytime), the work at these locations is anticipated to be undertaken overnight between 11:00 PM and 7:00 AM (approximately 4 hours of work at each location) during the week of April 6.

Pedestrian and vehicle access will be maintained while this work is underway, and people are asked to follow the directions of on-site signage and traffic control personnel. Work is being undertaken by Raven Rescue under conditions outlined by a Traffic Management Plan and Temporary Special Zone Permit approved by the City of Vancouver.

The Broadway Subway Project is committed to keeping you informed in advance of any local work now and in the future so you can plan accordingly. Please note, construction schedules can change on short notice. Updates will be posted to the Project's website, and additional notification will be provided where possible. Should there be any inquiries please contact the Broadway Subway Project 24/7 Construction Line: 1-844-815-6114.

**About the Broadway Subway Project**

The Broadway Subway Project is a 5.7 km extension of the Millennium Line, from VCC-Clark Station to Broadway and Arbutus, and is being funded and delivered by the Province of B.C. with contributions from the Government of Canada and the City of Vancouver. It includes six new underground stations, and will provide fast, frequent and convenient SkyTrain service to B.C.'s second-largest jobs centre, world-class health services, an emerging innovation and research hub, and growing residential neighbourhoods. For more information about the Project and early works in your area, visit [engage.gov.bc.ca/broadwaysubway](http://engage.gov.bc.ca/broadwaysubway).

Sincerely,

The Broadway Subway Project Team
