

UPDATE: February 10, 2020

## Utility Relocate near Cambie Street

### **NOTICE OF TEMPORARY NIGHT WORK – W. 8<sup>TH</sup> AVE. BETWEEN CAMBIE ST. AND ASH ST.**

Early construction work is taking place in the Cambie St. and W Broadway area to relocate TELUS infrastructure in preparation for construction of the Broadway Subway Project, which is anticipated to begin later this fall.

**The City of Vancouver has granted a noise by-law exemption permit for temporary night work. This is being undertaken to minimize disruption to commercial and residential building access while work is underway on the south side of W. 8<sup>th</sup> Ave. between Cambie St. and Ash St.**

The permit has been granted for work between February 11 and February 14, and work is currently anticipated on the following dates and times (please note the timing and duration of work is subject to change):

- Tuesday, February 11, 2020 from 8:00 PM to Wednesday, February 12, 2020 at 7:00 AM
- Wednesday, February 12, 2020 from 8:00 PM to Thursday, February 13, 2020 at 7:00 AM
- Thursday, February 13, 2020 from 8:00 PM to Friday, February 14, 2020 at 7:00 AM

We anticipate this work will result in temporary noise and light impacts, and apologize in advance for any disruption. Driveway access will be maintained while work is underway; please refer to the direction of temporary signage and traffic control personnel on site.

Fred Thompson Contractors is completing this work for TELUS under conditions outlined by a City of Vancouver permit.

**If you have any questions or concerns, please contact us at 1 (844) 815-6144 (24/7 construction line).**

For more information, please refer to the map on the notice dated December 30, 2019 on the Project's website: [engage.gov.bc.ca/broadwaysubway/whats-happening-now/](https://engage.gov.bc.ca/broadwaysubway/whats-happening-now/). The Broadway Subway Project will work to keep residents informed of current and upcoming work, and updates will be available on this website.

### **About the Broadway Subway Project**

The Broadway Subway Project is a 5.7 km extension of the Millennium Line, from VCC-Clark Station to Broadway and Arbutus. The Project is being funded and delivered by the Province of B.C. with contributions from the Government of Canada and the City of Vancouver. It includes six new underground stations, and will provide fast, frequent and convenient SkyTrain service to B.C.'s second-largest jobs centre, world-class health services, an emerging innovation and research hub, and growing residential neighbourhoods. For more information about the Project and early works in your area, visit [engage.gov.bc.ca/broadwaysubway](https://engage.gov.bc.ca/broadwaysubway).
