## **Broadway Subway Project Early Works**

### **TELUS underground infrastructure work – W. Broadway between Cypress and Burrard**

Early pre-construction work is currently underway to prepare for construction of the Broadway Subway Project, which is anticipated to begin this fall.

### **Beginning May 14, 2020 through to June 1, 2020, TELUS will be undertaking underground infrastructure work on West Broadway, between Burrard Street and Cypress Street.**

The work in this area will take place during the daytime and is expected to occur mostly in the westbound traffic lane and traffic will be maintained in both directions. Traffic control personnel will be on site to ensure safety for workers, road users and pedestrians. People are asked to follow the directions of on-site signage and traffic control personnel. The work will be performed by Ledcor under a Traffic Management Plan approved by the City of Vancouver. Business and residential access will be maintained.

The Broadway Subway Project is committed to keeping you informed in advance of any local work now and in the future so you can plan accordingly. Please note, construction schedules can change on short notice. Updates will be posted to the Project's website ([engage.gov.bc.ca/broadwaysubway/whats-happening-now/](https://engage.gov.bc.ca/broadwaysubway/whats-happening-now/)), and additional notification will be provided where possible.

### **About the Broadway Subway Project**

The Broadway Subway Project is a 5.7 km extension of the Millennium Line, from VCC-Clark Station to Broadway and Arbutus, and is being funded and delivered by the Province of B.C. with contributions from the Government of Canada and the City of Vancouver. It includes six new underground stations, and will provide fast, frequent and convenient SkyTrain service to B.C.'s second-largest jobs centre, world-class health services, an emerging innovation and research hub, and growing residential neighbourhoods. For more information about the Project and early works in your area, visit [engage.gov.bc.ca/broadwaysubway](https://engage.gov.bc.ca/broadwaysubway).

Sincerely,

The Broadway Subway Project Team
