Re: Broadway Subway Project – Work is happening on Maple Street between West 8th and West 10th Avenues

The Broadway Subway Project Corporation (BSPC) will be in your neighbourhood, during the week of December 14, 2020. We are surveying the underground utilities along Maple Street between West 8th and West 10th avenues to gather information needed for design and construction planning.

What to expect

- Work will occur over three weekdays from 7 a.m. to 3 p.m.
- Noisy work resulting from the hydro vacuuming process to loosen soil, rocks, clay, gravel to allow utility investigation under the road.
- Maple Street between West Broadway and the lane south of West 8th Avenue will be closed.
- Maple Street between West Broadway and the lane north of West 10th Avenue will be closed.
- Sidewalks and bus routes will not be affected.

What you will see

- Construction machinery like a hydro vacuum truck, dump truck and traffic control equipment.
- Multiple surveyors and staff in the area.
- Traffic control flaggers during rush hour.

Updates will be provided at <https://www.broadwaysubway.ca/construction/current-work/>, and the location of the work can be viewed on a map at: <https://www.broadwaysubway.ca/construction/maps/>

We will continue to keep you informed in advance of any local work now and in the future so you can plan accordingly. Please note, construction schedules can change on short notice. Updates will be posted to the Project's website, emailed to local registered contacts, and additional notification will be provided where possible.

Broadway Subway Project Corporation is committed to safety and Covid-19 Protocols while construction activities are underway and will be following the latest guidance from the Provincial Health Officer and WorkSafe BC. We know that construction can be disruptive, and the team is working hard to minimize the impacts of our work in your neighbourhood. Thank you in advance for your patience during this work.

- Phone: 778-572-3544 (Mon-Fri, 9 am-5 pm)
- Contact the construction information line: 1-844-815-6114 (available 24/7)

About the Broadway Subway Project

The Broadway Subway Project is a 5.7 km extension of the Millennium Line, from VCC-Clark Station to Broadway and Arbutus, and is being funded and delivered by the Province of B.C. with contributions from the Government of Canada and the City of Vancouver. It includes six new underground stations, and will provide fast, frequent and convenient SkyTrain service to B.C.'s second-largest jobs centre, world-class health services, an emerging innovation and research hub, and growing residential neighbourhoods.

Thank you in advance for your cooperation.

Regards,

Broadway Subway Project Corporation
