

UPDATE: Geotechnical work continues along the alignment

January 25, 2021

The Broadway Subway Project Corporation (BSPC) will be in your neighbourhood conducting geotechnical investigation to collect information that will inform construction planning and safety measures. During the month of February, work will be moving through the following areas:

- Thorton Street (Great Northern Way to E 1ST Avenue)
- Brunswick St (E 7TH Avenue to toward E 8th Ave)
- Cambie Street (West 8th Avenue to West 10 Avenue)
- Main Street (East 8th Avenue to East 10th Avenue)
- Laurel Street (West 8th Avenue to West 10th Avenue)
- Arbutus Street (West 8th Avenue to West 10th Avenue)
- E Broadway (333 E Broadway to Manitoba Street)
- Alberta Street and West Broadway
- West Broadway (Ash St to Willow Street)
- West Broadway (Spruce Street to Birch Street)
- West Broadway (Hemlock Street to Granville Street)
- West Broadway (Fir Street to Cypress Street)

What to Expect

Timing

- February to March 2021

Hours of Work

- Work will occur Monday to Saturday from 7:00 a.m. to 3:00 p.m.

Traffic

- Access to roads and properties will be maintained.
- Temporary lane closures in some areas.
- Road parking may be limited temporarily in some areas.

Impacts/Interruptions

- Bus and sidewalk access will be maintained.
- Temporary noise from drilling.

For more information on construction activities, please visit: <https://www.broadwaysubway.ca/construction/current-work/> and for a map of construction locations, go to: <https://www.broadwaysubway.ca/construction/maps/>

Our commitment is to keep you informed in advance of any upcoming construction activities to ensure you can plan accordingly. Please note, construction schedules can change on a short notice and we encourage you to visit the Project website for the latest information.

BSPC is committed to the health and safety of all our workers and our community. As per the guidance from the Provincial Health Officer and WorkSafe BC, we are adhering to all Covid-19 protocols during all construction related activities.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. Thank you in advance for your patience and understanding.
