Subject: Broadway Subway Project Traffic Alert - Main St near E. Broadway

Please be advised of the following traffic impacts resulting from the relocation of a sewer line in preparation for construction of the Broadway Subway Project.

Starting on Monday, April 26 at 7 a.m. and continuing to mid-May

- Traffic on Main Street between Kingsway and E. Broadway will be reduced to two lanes southbound and one lane northbound.
- Northbound traffic on Main Street between E. 11th Avenue and E. Broadway will be shifted to prepare for the lane closures.
- A left turn lane for vehicles travelling north on Main Street will be maintained at E. Broadway, however, the left turn lane at E. 8th Avenue will be closed for the duration of the work.
- Trucks will be unable to turn right in all directions, day and night, at the intersection of Main Street and E. Broadway.
- Overnight, between 7 p.m. and 5 a.m. east-west traffic on E. Broadway will be reduced to one lane in each direction through the intersection at Main Street.
- Traffic signs and electronic message boards will notify motorists about the traffic pattern change.
- Traffic congestion is anticipated - please plan ahead and check the Project website before you travel.
- For questions call the 24/7 public information phone line at 1-844-815-6114
