

Traffic Alert – Major traffic pattern changes along Broadway between Kingsway and Columbia Street

May 18, 2020

- Expect traffic changes on Broadway as early as May 24, continuing until the end of August to allow for the construction of the traffic deck.
- Broadway will be reduced to three lanes: 2 eastbound and 1 westbound from Kingsway to Columbia St.
- Quebec St. will be closed from E. Broadway to the laneway towards 10th.
- Street parking along Broadway will be removed.
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- Once completed later this summer, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- Full public notice can be found [here](#).
