

# Traffic patterns are changing around Broadway-City Hall Station as major construction begins

June 18, 2021

**UPDATE:** The notification originally issued June 1, 2021 has been updated to reflect current scheduling details.

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building a traffic deck between Cambie and Alberta streets. While we build the traffic deck here, and at the future site of the Mount Pleasant station, traffic patterns will shift to a temporary three-lane configuration from Yukon to Alberta streets and from Main to Quebec streets. Once completed, the traffic deck at each station area maintains an at-grade, safe and consistent four-lane traffic configuration while station construction continues below. Residents and businesses may experience some noise and vibration as the drilling of structural supports begin for the traffic deck. People travelling in the area should expect congestion, and reduced street parking, speed limits and travel lanes. Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs. Check out our Project [video](#) for more details on how we are building the traffic deck. The map below illustrates the traffic deck locations.

## What to Expect

### Timing

- As early as June 18: Street parking along Broadway will be removed
- As early as June 22: Drilling starts
- As early as June 22: Installation of temporary traffic signals.
- Traffic pattern changes will be implemented in two stages.

### Hours of Work\*

- Monday to Saturday
  - Day: 7 a.m. to 5 p.m.
  - Occasional night work: 7 p.m. to 5 a.m. Portions of site preparation and traffic deck installation may be done at night to minimize traffic disruptions.

\* When possible, crews will perform the noisiest construction activities during the day to minimize overnight noise.

Work on the Project  
[bcib.ca](http://bcib.ca)  
[info@bcib.ca](mailto:info@bcib.ca)

- Overnight on June 21: Stage 1 affects Broadway between Alberta and Yukon streets;
- As early as July 3: Stage 2 affects Broadway between Yukon to Ash streets.
- December 2021: Target date for the completion of the traffic deck.

- \* *Work will primarily be completed Monday to Saturday but may on occasion occur Sunday.*
- \* *Schedules can change without notice.*

### Traffic

- Traffic on Broadway will be reduced to three lanes from Alberta to Yukon streets during this work (2 eastbound and 1 westbound).
- Flaggers and signs will assist pedestrians and cyclists navigate.

### Impacts/Interruptions

- Parking along Broadway between Quebec and Ash streets will be removed as early as June 18.
- Curb lanes will be dedicated for emergency vehicles and buses.
- Transit users can check the [Trip Planner](#) as some stop locations have changed.
- Access for all abilities will be maintained to residences, businesses, and services.
- Sidewalk segments may be closed, and pedestrians detoured around work zones.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. Thank you in advance for your patience. Updates will be provided at [broadwaysubway.ca/construction](https://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](https://broadwaysubway.ca/construction/maps/).

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
