

Traffic Alert – W Broadway reduced to single-lane, alternating traffic July 15 from midnight to 5 a.m.

July 14, 2021

- W. Broadway will be reduced to a single lane of alternating traffic between Alberta Street and Yukon Street on July 15 from midnight to 5 a.m. (Overnight tonight)
- Traffic will return to a three-lane configuration (2 eastbound and 1 westbound) after 5 a.m.
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- The temporary traffic configuration supports the relocation of water and sanitary service connections to nearby business as part of traffic deck construction.
- Once completed later this year, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- The full public notice can be found [here](#).
- For questions the public can call the 24/7 public information phone line at 1-844-815-6114.
