

Traffic Alert – Traffic patterns changing around Broadway-City Hall Station as major construction continues

August 26, 2021

- Expect traffic shifts on Broadway between Yukon and Alberta streets starting August 28 at 8 p.m. and continuing to 7 a.m. August 29 as we work to transition the current traffic configuration from the north to the south side of Broadway.
- Street parking along Broadway has been removed.
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- Once completed early next year, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- The full public notice can be found [here](#).
- For questions, the public can call the 24/7 public information phone line at 1-844-815-6114.
- To receive notifications on traffic and construction activities, sign-up at www.broadwaysubway.ca/contact/newsletters.
