

Traffic Alert: Road closure and lane changes in Mount Pleasant starting September 6

- Southbound traffic on Main Street will be reduced to a single lane, and E. Broadway will be reduced to one lane in each direction during night work September 6-9.
- Starting September 9, the intersection on the north side of E. Broadway at Quebec Street will be closed to vehicle traffic until the completion of the traffic deck build. Quebec Street north of E. Broadway restricted to local traffic only.
- As early as September 13, traffic on E. Broadway between Main Street and Quebec Street reduced to two lanes (one in each direction) during nightwork for the next 10 nights. Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- Once completed early next year, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- More information is available at <https://www.broadwaysubway.ca/construction/current-work/>
- For questions the public can call the 24/7 public information phone line at 1-844-815-6114.
- To receive notifications on traffic and construction activities, sign-up at www.broadwaysubway.ca/contact/newsletters.
