

Traffic Alert – Northern intersection of W. Broadway at Yukon Street closed to vehicle traffic starting September 22 at 8 p.m.

September 21, 2021

- The intersection on the north side of W. Broadway at Yukon Street will be closed to vehicle traffic starting September 22 at 8 p.m., and continuing for up to three weeks.
- The traffic closure will be in effect 24 hours a day, seven days a week.
- Traffic on Yukon from W 8th Avenue to Broadway will also be reduced to a single lane of alternating traffic for local traffic only.
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- The temporary closure supports the drilling of structural supports for the traffic deck and relocation of underground utilities.
- Once completed later this year, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- The full public notice can be found [here](#).
- For questions the public can call the 24/7 public information phone line at 1-844-815-6114.
- To receive notifications on traffic and construction activities, sign-up at www.broadwaysubway.ca/contact/newsletters.
- Follow us on [Twitter](#) and [Facebook](#).
