

Construction Update: The Future South Granville Station

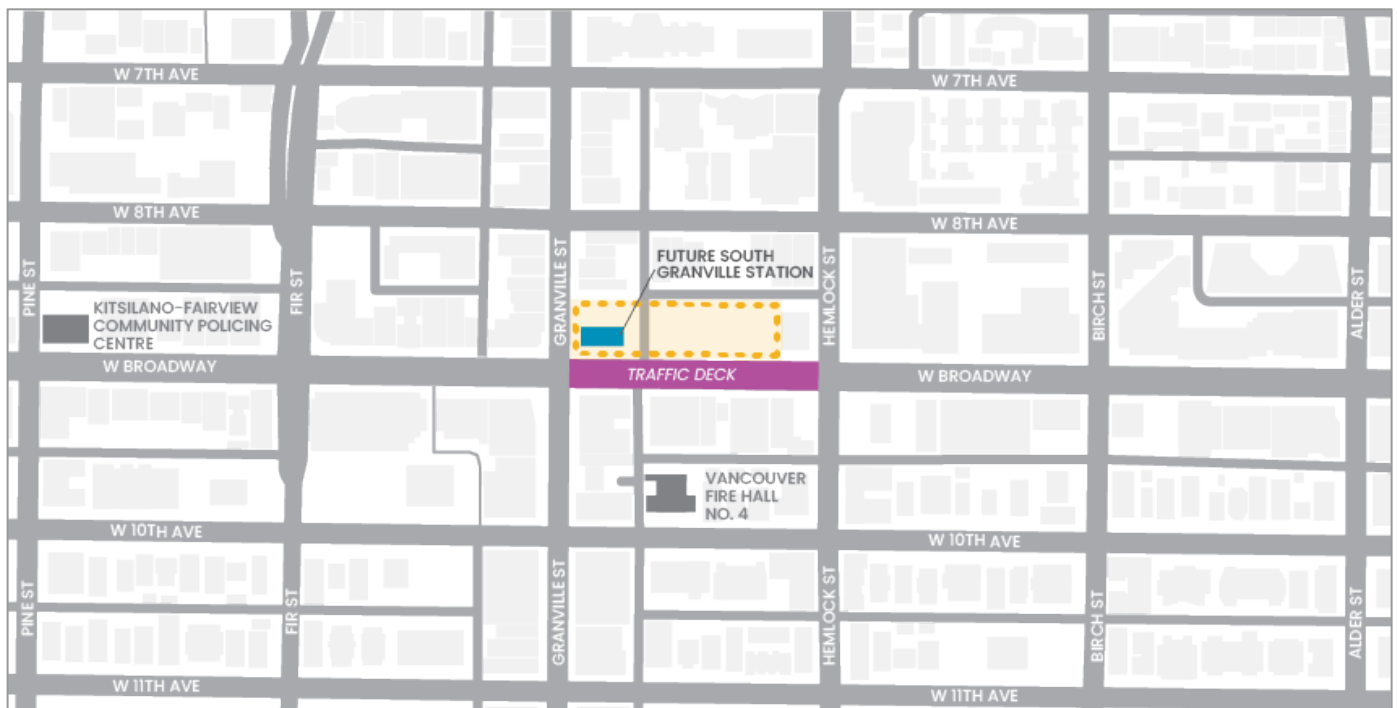

November 12, 2021

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood continuing major construction near the future South Granville Station between Hemlock and Granville streets. Upcoming activities include:

- **November:** Drilling structural supports for the traffic deck; relocating utilities; conducting geotechnical surveys; and installing monitoring devices.
- **December – January:** Continuing to build the traffic deck.

Residents and businesses may experience some noise and vibration as the drilling of structural supports continues. People in the area should expect congestion, sidewalk modifications, possible temporary street closures, temporary lane closures at night, and reduced street parking, speed limits and travel lanes. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs. All businesses remain open and access to businesses and parking lots is maintained.

See [notices](#) for each construction activity for more information. BSPC will directly contact the businesses and residents we anticipate will be affected closer to the start of major construction activities.

What to Expect

Timing

November 2021 to January 2022

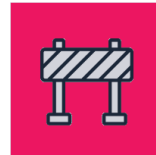

Hours of Work

- Monday to Saturday:
7 a.m. to 8 p.m.
- Occasional night work related to utility relocation and excavation:
8 p.m. to 5 a.m.
- Occasional work may occur on Sunday.

Traffic

- Two lanes in each direction will be maintained on W. Broadway.
- Left turns onto Granville St., both north and south, may be restricted during utility and drilling works.
- Access to laneways and parking garages will be maintained.
- Flaggers and signs will assist drivers, pedestrians and cyclists to navigate the area.

Impacts/Interruptions

- Street parking along Broadway has been removed. [Visit](#) the parking alternatives map for options.
- Elevated noise levels are expected during work.
- Pedestrians may be temporarily detoured around work zones.
- Check the [Trip Planner](#) as some bus stop locations have changed.
- Businesses remain open.

Other important information:

- Access for all abilities will be maintained to residences, businesses and services.
- Emergency access is maintained at all times.
- When possible, crews will perform the noisiest construction activities during the day to reduce overnight noise.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. We will continue to keep you informed in advance of work to help you plan accordingly. Thank for your patience.

Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/. Updates will also be emailed to local registered contacts, and additional notification will be provided where possible. Please note, this information is current at the time of sending, however due to unforeseen circumstances, schedules are subject to change.

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
