

Traffic Alert – Day and Night Traffic Changes in Mount Pleasant start November 3 November 1, 2021

- To accommodate the installation of the traffic deck in Mount Pleasant there will be modifications to traffic patterns until the end of the year:
 - Traffic on E. Broadway is reduced to one lane in each direction between Main and Quebec streets from 10 a.m. - 3 p.m. Monday-Saturday until mid-November
 - Overnight from 12 a.m. to 5 a.m. there will be a single, alternating lane on E. Broadway between Quebec and Main streets and intermittent 10-minute lane closures for crane movements, approximately once an hour.
- Once completed early next year, 4 at-grade lanes will be restored on Broadway, while construction continues below the traffic deck.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
