

# Update: Night Work to complete installation of temporary water main near Broadway-City Hall starts November 1

October 29, 2021

**Note: The notice from [September 16, 2021](#) included this work and we now have an updated schedule to share.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building an at-grade, safe and consistent four-lane traffic deck. As part of this work, BSPC is installing a new water main on the north side of W. Broadway from Cambie to Alberta to provide water to businesses until the traffic decking is removed and the road restored in 2024.

Work from Yukon to Alberta streets will start the night of November 1, and is anticipated to take five nights. Work between Cambie and Yukon streets will also be completed in November. Water to neighbouring businesses and residences may be temporarily shut off from 11 p.m. until 5 a.m. while work to connect the new water main to the existing water main is completed. Water shutdowns generally occur overnight to minimize the impact on businesses and residents. BSPC is directly contacting the businesses and residences we anticipate will be affected by a water shutdown.

Please note, this information is current at the time of sending; however, schedules are subject to change. Visit [www.broadwaysubway.ca](http://www.broadwaysubway.ca) for current details.

## What to Expect

People in the area may experience elevated night noise from 8 p.m. to 5 a.m. Mitigation measures include, but are not limited, conducting the noisiest construction activities in the early evening, and installing white noise back-up beepers on heavy construction equipment where possible.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. Thank you in advance for your patience. Updates will be provided at [broadwaysubway.ca/construction](https://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](https://broadwaysubway.ca/construction/maps/).

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
