

# Update: Utility relocations along East 1st Avenue and Carolina Street start November 29

November 15, 2021

**Note: The notice from September 28, 2021 included this work and we now have specific times for traffic changes.**

Starting November 29, crews will be relocating the utilities along East 1<sup>st</sup> Avenue and Carolina Street between Emily Carr and the Centre for Digital Media. Traffic access to East 1<sup>st</sup> Avenue from Carolina Street will be closed. Drivers are invited to access East 1<sup>st</sup> Avenue from Foley or Fraser streets. Please watch for wayfinding information and follow instructions from traffic control personnel and all signs.

Residents and businesses in the area may experience elevated noise and vibration. Pedestrians will be detoured around work zones as required. Access to East 1<sup>st</sup> Avenue from Carolina Street will be closed, drivers can use Fraser and Foley streets instead.

Water to some neighbouring businesses will be temporarily shut-off to complete water and sanitary sewer connections. This work will be completed over a weekend or at night to minimize the impact on businesses. **BSPC will directly contact the businesses and residents we anticipate will be affected by the water shutdown once a date is identified.**
