

Water line relocation along Earl Finning Way near the future Great Northern Way – Emily Carr Station

September 29, 2021

The Broadway Subway Project Corporation (BSPC) will be in your neighbourhood preparing to start the construction of the elevated guideway from the VCC-Clark Station. Starting in October, BSPC has identified a water line to be relocated and fencing to be placed along the north side of Earl Finning Way. **BSPC will directly contact the businesses and residents we anticipate will be affected by the water shutdown.**

During the water line relocation, people in the area can expect that vehicle access to Earl Finning Way will be maintained, temporary parking restrictions will be in effect, construction vehicle traffic in the area will increase.

Please note, this information is current at the time of sending; however, schedules are subject to change. BSPC will update the website with specific dates once timelines are confirmed. Visit www.broadwaysubway.ca for current details.

What to Expect

Timing

- Starting in October 2021
- Duration: 3 weeks

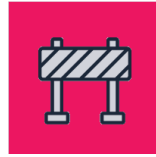

Hours of Work

Monday to Friday
7 a.m. to 8 p.m.

Traffic

- Access to Earl Finning Way will be reduced to two lanes, one in each direction.
- Street parking will be unavailable along the north side of Earl Finning Way with the placement of the construction fencing.
- There will be no parking on either side of Earl Finning Way during the water line relocation.

Impacts/Interruptions

- People travelling or living in the area may notice an increase in construction vehicles.
- Expect noise from the excavation process during utility works.

Other important information:

- Access for all abilities will be maintained to residences, businesses, and services.
- Emergency access is maintained at all times.
- When possible, crews will perform the noisiest construction activities during the day to reduce overnight noise.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. We will continue to keep you informed in advance of any local work now and in the future to help you plan accordingly. Thank you in advance for your patience.

Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/. Updates will also be emailed to local registered contacts, and additional notification will be provided where possible. Please note, construction schedules can change on short notice.

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
