

Water line relocation along Earl Finning Way near the future Great Northern Way – Emily Carr Station starting November 15

November 5, 2021

UPDATE: The notification dated [September 29, 2021](#), has been updated with current scheduling details, traffic, and impacts/interruptions.

The Broadway Subway Project Corporation (BSPC) will be in your neighbourhood relocating a water line and setting up fencing ahead of construction of the elevated guideway starting November 15. People in the area will also notice fencing along the north side of Earl Finning Way in order to separate traffic from the utility relocation work.

Traffic access to Earl Finning Way will remain open but will be reduced to a single lane, one way, eastbound. There will be no parking along Earl Finning Way permitted during the water line relocation.

Please note, this information is current at the time of sending, however due to unforeseen circumstances, schedules are subject to change. BSPC will update this notification as additional dates and times for the water line relocation are confirmed. BSPC will directly contact any businesses or residences who may be affected by a water shutdown if required.

What to Expect

Timing

- Starting November 15, 2021
- Estimated duration: 4 weeks

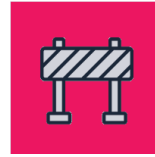

Hours of Work

- Monday to Friday, 7 a.m. to 8 p.m.
- Occasional nightwork may be required during utility work.

Traffic

- Access to Earl Finning Way will be reduced to a single lane, eastbound only.
- There will be no parking on either side of Earl Finning Way during the water line relocation.

Impacts/Interruptions

- People travelling or living in the area may notice an increase in construction vehicles.
- Expect noise from the excavation process during utility works.

Other important information:

- Access for all abilities will be maintained to residences, businesses, and services.
- Emergency access is maintained at all times.
- When possible, crews will perform the noisiest construction activities during the day to reduce overnight noise.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. We will continue to keep you informed in advance of any local work now and in the future to help you plan accordingly. Thank you in advance for your patience.

Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/. Updates will also be emailed to local registered contacts, and additional notification will be provided where possible. Please note, construction schedules can change on short notice.

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
