

Update: Nightwork to relocate water line connections in Mount Pleasant continues December 6

December 3, 2021

Note: The work planned for November 3-5 was rescheduled, and we now have updated timing to share.

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the traffic deck. As part of this work, BSPC is relocating the main water line servicing businesses and residents on E. Broadway from Main Street to Quebec Street. Water to neighbouring businesses will be temporarily shut off while the water service connection and fire hydrant are relocated. This work, including water shutoffs, will be performed overnight December 6-10, between 8 p.m. and 5 a.m., to minimize the impact on businesses. **BSPC is directly contacting the businesses and residents we anticipate will be affected by the water shutdowns.**

Please note, this information is current at the time of sending; however, schedules are subject to change. Visit www.broadwaysubway.ca for current details.

What to Expect

People in the area will also experience elevated noise from 8 p.m. to midnight. Mitigation measures include, but are not limited, using white noise back-up beepers on heavy construction equipment during night construction. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. Thank you in advance for your patience. Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/.

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
