

# Update: Traffic patterns are changing around Mount Pleasant Station as traffic deck nears completion – Night Work

December 14, 2021

**Note: The updated notice from [November 29](#) included this work and we have current night activities timeline for the related traffic shift.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building a traffic deck in front of the future station in Mount Pleasant between Main and Quebec streets. On the night of December 16, traffic will shift to drive on the completed traffic deck on the north side of E. Broadway between Main and Quebec streets. Construction will commence on the south side of E. Broadway to build the remaining segment of the traffic deck. The traffic deck is anticipated to be completed in early 2022.

To prepare for the traffic shift, work will occur overnight on December 15 and December 16, from 8 p.m. to 7 a.m. Throughout this work, single lane of traffic, westbound and eastbound will be maintained between Main to Quebec streets. Once completed, the north segment of the traffic deck will have three lanes (1 westbound, 2 eastbound).

Flaggers and signs will assist pedestrians and cyclists navigate. Access for all abilities will be maintained to residences, businesses, and services. Sidewalk segments may be closed, and pedestrians detoured around work zones. When possible, crews will perform the noisiest construction activities during the day to minimize overnight noise.

Please note, this information is current at the time of sending, however due to unforeseen circumstances, schedules are subject to change. Visit [www.broadwaysubway.ca](http://www.broadwaysubway.ca) for current details.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood and on your property. Thank you in advance for your patience. Updates will be provided at [broadwaysubway.ca/construction](http://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](http://broadwaysubway.ca/construction/maps/).

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
