

## Night Work on W. Broadway between Cypress and Arbutus streets begins on March 7, 2022

March 3, 2022

**Note: The notice from [February 28, 2022](#) includes this work and we have updated scheduling, traffic details, and impacts to share.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood relocating utilities on W. Broadway between Cypress and Arbutus streets, and on Arbutus street. This work will be done overnight to minimize impacts to residents, businesses, and traffic. The work is expected to complete by the end of March. **BSPC will directly contact the businesses and residents we anticipate will be affected by a water shutdown.**

### What to Expect

Access to residences, businesses, and parking lots will be maintained throughout the night work. People in the area can expect overnight lane restrictions on W. Broadway (Cypress to Arbutus streets) and on Arbutus Street (W. 8<sup>th</sup> Ave. to W. 10<sup>th</sup> Ave.) and temporary sidewalk detours around the work area. There will also be traffic restrictions on Cypress St., with alternating traffic controlled by traffic control personnel, while work takes place in this intersection during the night. The work will result in elevated noise on the Project site and related to the utility relocation work. Mitigation measures include, but are not limited to, conducting the noisiest construction activities during the day and minimizing the use of back-up beepers. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.
