

Site preparation near the future Arbutus station continues with tree removal over the coming weeks

April 26, 2022

The Broadway Subway Project Corporation (BSPC) continues to prepare the site for the installation of the traffic deck with the removal of trees on Maple St., south of W. Broadway, as well as others around the future station location, as required. This removal process has included a review by Vancouver Park Board personnel.

The Project team will work with the City of Vancouver through the street design process to replace the removed trees with vegetation that complements existing trees in this neighbourhood. In addition, the landscape team will create vegetation features to maintain the neighbourhood's distinct look and feel.

Selected London Plane trees will be removed. Healthy trees that do not impede construction activities will be protected and retained.

Please note, this information is current at the time of sending; however, schedules are subject to change. BSPC will update the website with specific dates once timelines are confirmed. Visit www.broadwaysubway.ca for current details.

What to Expect

- Work will occur over the next few weeks during daytime hours of 7 a.m. to 8 p.m.
- Access to residences and businesses will be maintained.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience. Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/.

Broadway Subway Project Corporation is committed to safety and COVID-19 Protocols while construction activities are underway and continues to follow the latest guidance from the Provincial Health Officer and WorkSafeBC.
