

UPDATE: Utility relocations along East 1st Avenue and Carolina Street

April 14, 2022

Note: This is an update of the notification from January 27, 2022 and we now have revised times for the work timeline.

Starting April 19, 2022, crews will be relocating the utilities along East 1st Avenue and Carolina Street between Emily Carr University of Art and Design and the Centre for Digital Media (no access in red on map). Affected residents and stakeholders will be notified directly. Vehicle access to East 1st Avenue from Carolina Street is currently restricted and drivers are invited to use Fraser Street to enter the parkade area. Pedestrians will be detoured around work zones as required. Please watch for wayfinding information and follow instructions from traffic control personnel and all signs. Access to residences, businesses and parking lots in the area will be maintained.
