

## Traffic Alert – W. Broadway between Hemlock and Granville streets reduced to single-lane, alternating traffic starting April 15

April 14, 2022

- Starting April 15, W. Broadway will be reduced to single lane alternating traffic from 7 a.m. until 3 p.m., until April 18th. Traffic will then be reduced to two lanes (one lane in each direction), from 10 a.m. to 3 p.m. through the summer.
- Starting April 18th, W. Broadway is reduced to single lane alternating traffic, from 8 pm to 6 am until deck installation is completed.
- During this overnight work, from 8 p.m. to 6 a.m. there may be 10-minute full road closures for crane movements.
- The traffic changes are to accommodate the installation of the traffic deck on W. Broadway between Hemlock and Granville streets.
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- For questions the public can call the 24/7 public information phone line at 1-844-815-6114.
