

## Traffic Alert – Lane restrictions on Hemlock, Granville, and Fir streets in addition to W. Broadway starting 8:00 pm tonight (May 3)

May 3, 2022

- Starting at 8:00 pm on May 3, until 6:30 am May 4, the following restrictions will be in place to support the shift of W. Broadway traffic onto the newly constructed traffic deck:
  - Hemlock, Granville, and Fir streets will be reduced to two lanes (one lane in each direction), from W. 8<sup>th</sup> Ave. to W. 10<sup>th</sup> Ave.
  - The traffic signals at the intersections of W. Broadway at Hemlock, Granville, and Fir streets will be deactivated during the traffic shift, with traffic controlled by flaggers
  - W. Broadway will be reduced to single lane alternating traffic
- Once the traffic is shifted onto the traffic deck, there will be four lanes of traffic open on W. Broadway (two in each direction).
- Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.
- Check out the Broadway Subway Project [video](#) for more details on how crews are building the traffic deck.
- For questions the public can call the 24/7 public information phone line at 1-844-815-6114.
