

UPDATE: Utility relocation along East 1st Avenue and Carolina Street – night work

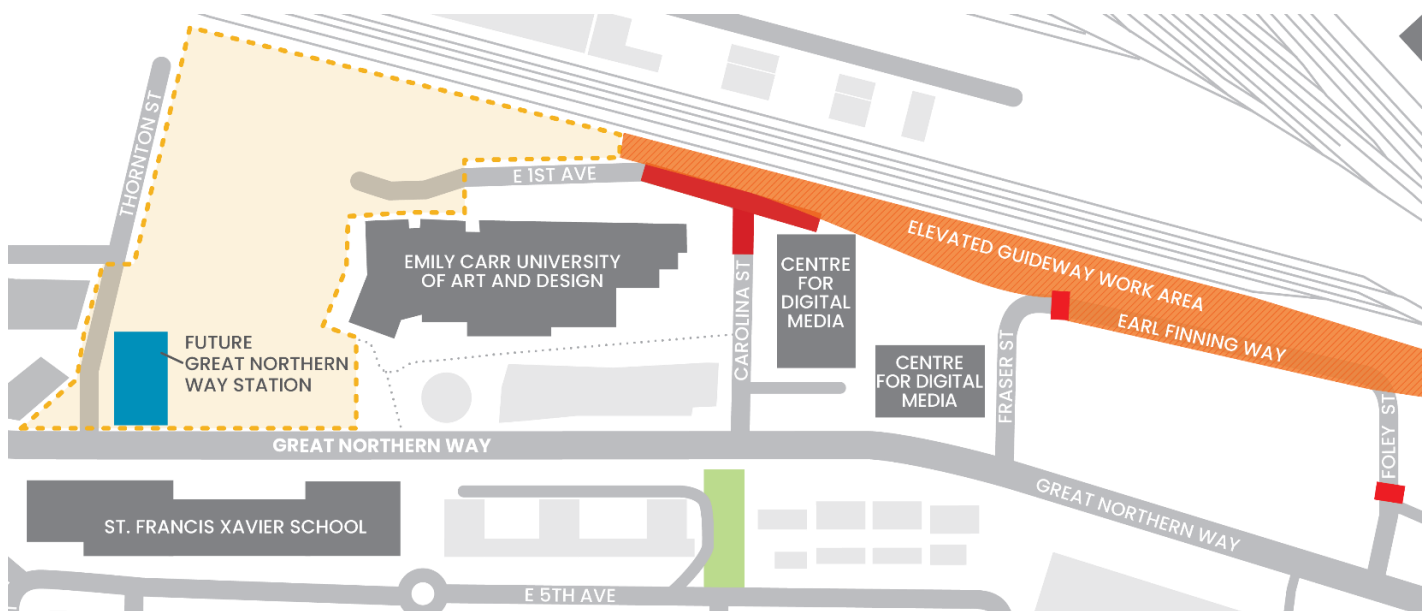

June 6, 2022

Note: This is an update of the notification from June 2 2022 and we now have revised times for the work timeline.

From June 2 to June 6 and June 9 to June 13, 2022, crews will be finalizing the relocation and tie in of utilities along East 1st Avenue and Carolina Street between Emily Carr University of Art and Design and the Centre for Digital Media. Restricted access is shown in red on the map. Some night work may be required to complete this final part of the utilities relocation.

Vehicle access to East 1st Avenue remains restricted and drivers are invited to use Fraser Street or Carolina Street to enter the parkade areas. Pedestrians will be detoured around work zones as required. Please watch for wayfinding information and follow instructions from traffic control personnel and all signs. Access to residences, businesses, and parking lots in the area will be maintained.

Please note, this information is current at the time of sending; however, schedules are subject to change. BSPC will update the website with specific dates once timelines are confirmed. Visit www.broadwaysubway.ca for current details.
