

W. Broadway opens to four lanes of traffic between Yukon and Columbia streets – Night Work

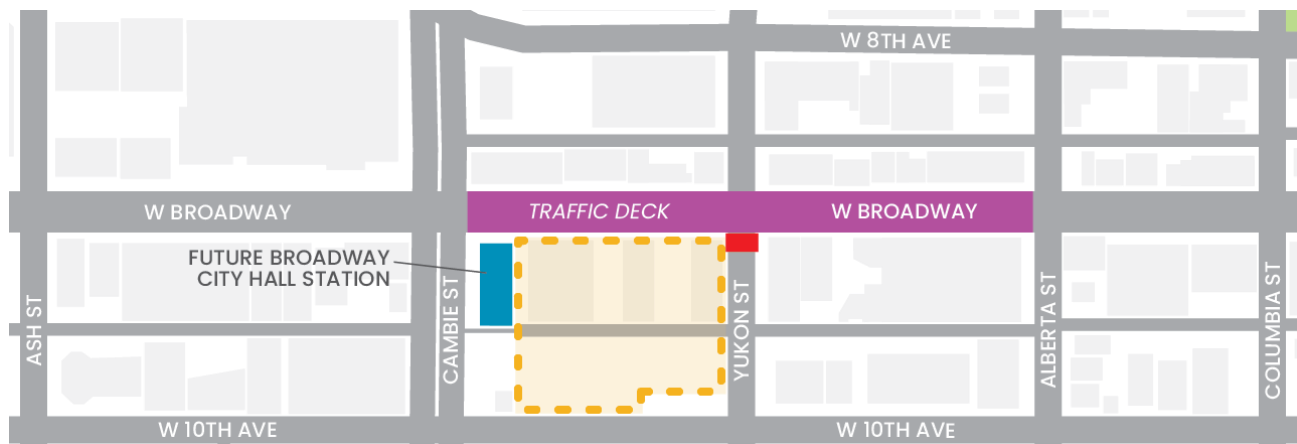

July 21, 2022

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood and on July 23 will start work to prepare for the opening of the fourth lane of the Broadway-City Hall traffic deck near Yukon Streets.

Work will begin at 8 p.m. and will continue overnight until 7 a.m. Throughout this work, one lane westbound and one lane eastbound will be maintained between Yukon to Columbia streets. On the morning of July 24, the east section of the traffic deck will have four lanes (2 westbound, 2 eastbound). The western section of the traffic deck, from Yukon to Cambie streets, is expected to be completed in August.

Traffic control personnel and signage will assist pedestrians and cyclists navigate the area. Access for all abilities will be maintained to residences, businesses, and services. Sidewalk segments may be closed, and pedestrians detoured around work zones. We know that construction of the traffic deck has been disruptive, and we appreciate your patience while we complete this work.

Please note, this information is current at the time of sending; however, schedules are subject to change. Visit www.broadwaysubway.ca for current details.

Updates will be provided at broadwaysubway.ca/construction, and the location of the work can be viewed on a map at: broadwaysubway.ca/construction/maps/.
