

## Night work on W. Broadway (Cypress to Burrard streets) and Arbutus Street (W. 8th Ave. to W. 10th Ave.) on September 12

September 12, 2022

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the traffic deck and will be conducting road work on W. Broadway (Cypress to Burrard streets) and on Arbutus St. (W. 8th Ave. to W. 10th Ave.) on September 12, 2022, from 7 pm through the night.

### What to Expect

Work includes removing current road lines and painting new lines. During the work, one lane of traffic in each direction will be maintained on W. Broadway. In addition, Arbutus St. between 8th Ave and W. Broadway will be closed to northbound traffic while the work is taking place; southbound traffic will be maintained. Arbutus St. will also be closed to southbound traffic between W. Broadway and W. 10th Ave., with northbound traffic maintained. The arrows below show the allowable vehicle directions during the work.

During this work, access for all abilities will be maintained to residences, businesses, and services. People in the area can expect to hear some noise and intermittent elevated noises, be detoured around the work, and experience congestion, reduced speed, and temporary lane restrictions. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs. Noise mitigation measures include, but are not limited to, conducting the noisiest construction activities during the early evening and minimizing the use of back-up beepers. We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience.

Please note, this information is current at the time of sending; however, schedules are subject to change. Visit [www.broadwaysubway.ca](http://www.broadwaysubway.ca) for current details.

Updates will be provided at [broadwaysubway.ca/construction](http://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](http://broadwaysubway.ca/construction/maps/).
