

## Arbutus Street closed to traffic on October 15 and 16 from the laneway north of W. 10<sup>th</sup> Avenue towards W. Broadway to support utility relocation

October 13, 2022

**Note: The notice from [March 14, 2022](#) includes this work and we have updated scheduling to share.**

The Broadway Subway Project Corporation (BSPC) is relocating a watermain in your neighbourhood ahead of building the Arbutus Station. On October 15 and 16, work will take place on Arbutus Street from the laneway north of W. 10<sup>th</sup> Avenue to W. Broadway which requires the closure of the street to all vehicle traffic. Vehicles are advised to take Cypress, Burrard, Maple, Yew, or Vine streets as alternate routes. Pedestrian access for all abilities will be maintained to residences, businesses, and services. The work area is shown in orange below, with red indicating other current street closures. On October 17, relocation work will then require the closure of the northbound lane on Arbutus Street from the laneway north of W. 10<sup>th</sup> Avenue to W. Broadway for up to one week. Southbound vehicle access will be maintained on Arbutus Street during this time.

### What to Expect

People in the area can expect elevated noise levels, some traffic congestion, reduced speeds, and to be detoured around the work as required. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs. We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience.
