

# Traffic patterns are changing Oct 21-22 to complete the traffic deck at the future Oak-VGH Station – Night Work

October 18, 2022

**Note: The notice from [Feb. 23, 2022](#) includes this work and we have updated scheduling, traffic details, and impacts to share.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood finishing the traffic deck on West Broadway between Oak and Laurel streets. Overnight on October 21 from 8 p.m. until October 22 at 6 a.m., crews will shift traffic lanes and add a left turn at Oak St. The project will then move to the next phase of construction which includes bulk excavation and building the station. Construction activities will take place below the traffic deck while traffic remains moving above on W. Broadway.

## What to Expect

Access for all abilities will be maintained to residences, businesses, and services throughout the work. Work includes reconfiguring traffic signals and street lighting; road work; line removal and painting; and placement of barriers/fencing. People in the area can expect elevated noise levels, some traffic congestion, reduced speeds, and to be detoured around the work. Flaggers and signs will assist pedestrians and cyclists navigate. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs. We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience.

Updates will be provided at [broadwaysubway.ca/construction](https://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](https://broadwaysubway.ca/construction/maps/).
