

## On November 18 W. 8th Avenue is becoming a one-way street going east between Maple and Burrard streets

November 15, 2022

**Note: The notice from [September 15, 2022](#) includes this work and we have updated scheduling to share.**

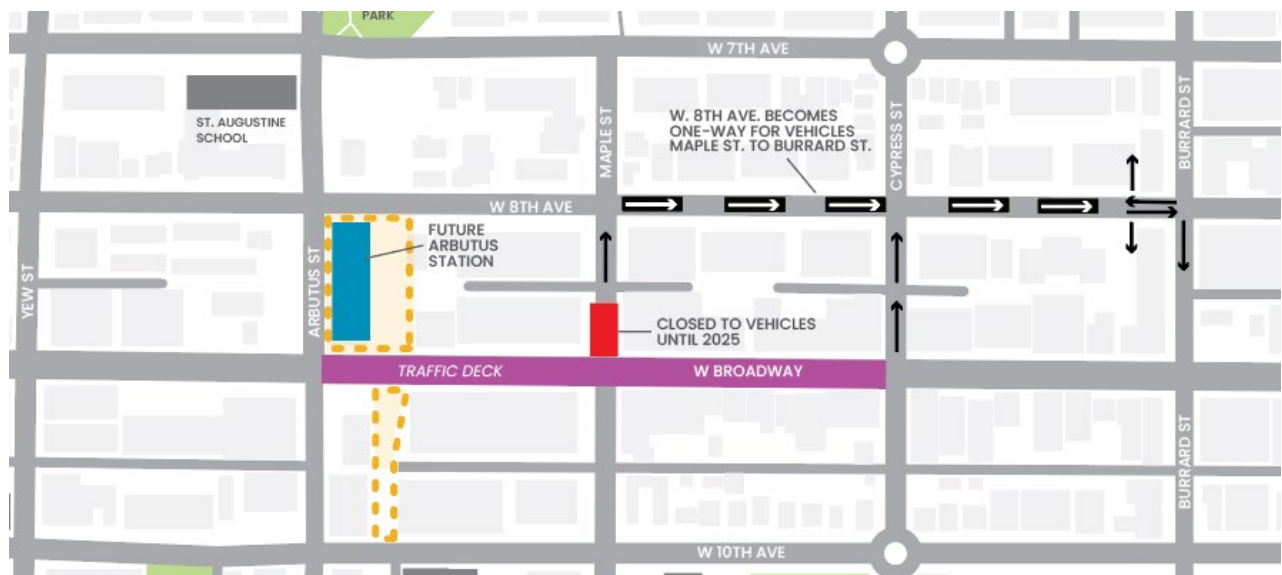

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the future Arbutus station. During the remainder of excavation activities, beginning on November 18, a secondary trucking route will be established on W. 8<sup>th</sup> Ave., running one-way eastbound between Maple to Burrard streets. After traffic deck excavation is complete in the winter of 2023, the majority of truck traffic will move to W. Broadway and W. 8<sup>th</sup> Ave. will continue to be used as an alternate route until the end of the Project. The new one-way route is shown in arrows in the map below.

### What to Expect

Throughout construction activities, access to residences, businesses, and parking lots will be maintained. Street parking on both sides of W. 8<sup>th</sup> Ave. will be maintained, but will become one-way, eastbound only. The Burrard St. access to the parking at 2401 W. Broadway, 1825 W. 8<sup>th</sup> Ave., and 1850 W. 8<sup>th</sup> Ave. will be maintained.

We thank residents, commuters, and businesses for their patience while we build the Broadway Subway Project. People travelling in the area may experience some traffic congestion, periodic lane restrictions, sidewalk modifications and pedestrian detours around the work areas. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.

*Please note, this information is current at the time of sending; however, schedules are subject to change. Visit [www.broadwaysubway.ca](http://www.broadwaysubway.ca) for current details.*

Updates will be provided at [broadwaysubway.ca/construction](http://broadwaysubway.ca/construction).
