

## Night work to install the traffic deck panels on the north side of W. Broadway at the future Arbutus Station begins December 12

December 8, 2022

**Note: The notice from [December 1, 2022](#) includes this work and we have updated scheduling and traffic details to share.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood installing the traffic deck in the future Arbutus station blocks. While most of the work will be conducted during the day, there will be periods of night work to place support beams, stabilizing pins, and traffic deck panels on the north side of W. Broadway, between Arbutus and Cypress streets. Night work will begin on December 12 and will continue into the new year. The deck is expected to be completed in February 2023.

### What to Expect

Access to residences, businesses, and parking lots will be maintained throughout the work. People in the area can expect congestion, sidewalk modifications, overnight lane and turn restrictions on W. Broadway, including single-lane alternating traffic and intermittent 10-minute road closures from 10 p.m. to 6 a.m. In addition, there will be intermittent lane closures on W. Broadway between 10 a.m. and 3 p.m. to accommodate deliveries. Pedestrians will be detoured around the work as required. Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs. Check out our Project [video](#) for more details on how we are building the traffic deck.

Residents will experience elevated noise during the work. Mitigation measures include, but are not limited to, conducting the noisiest construction activities during the day and early evening and utilizing quieter types of equipment when possible. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.

*Please note, this information is current at the time of sending; however, schedules are subject to change. Visit*

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience. Updates will be provided at [broadwaysubway.ca/construction](https://broadwaysubway.ca/construction).
