

Traffic Alert Extended – Main Street lane closure December 17

December 16, 2022

- Main Street will be reduced to two southbound lanes between E. Broadway and E. 10th Avenue from 7 a.m. to 8 p.m.
- The sidewalk on the west side of Main Street in front of the construction site will be closed from E. Broadway to mid-block and pedestrians detoured around the work.
- These lane restrictions and sidewalk closure support the delivery of a crane, and associated equipment to the Mount Pleasant station construction site.
- Pedestrian and cyclist access to area businesses will be maintained throughout the work.
- Please watch for and obey traffic control personnel and all signs, and plan extra travel time.
- More information is available at www.broadwaysubway.ca/construction/current-work/.
