

Traffic Alert – Overnight lane reductions on W. Broadway at Cambie Street starting at 8 p.m. December 12

December 12, 2022

- W. Broadway will be reduced to one lane in each direction around the intersection of Cambie Street starting at 8 p.m. on December 12 until 6 a.m. on December 13.
- After 6 a.m. on December 13, W. Broadway will return to two eastbound and two westbound lanes through the intersection at Cambie, with all traffic shifted to the north side of the intersection.
- The temporary lane closures allow for removal and repainting of traffic lines, and repositioning of traffic barriers to support the relocation of utilities beneath Cambie Street.
- Access to businesses, health services, and residences will be maintained.
- Please watch for and obey traffic control personnel and all signs, and plan extra travel time.
