

# UPDATE: Night work: Construction activities below the Broadway-City Hall traffic deck continue

January 20, 2023

**Note: This is an update of the notification from September 23, 2022 as we now have a revised schedule.**

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the Broadway Subway Project. As part of this work, BSPC is excavating beneath the traffic deck in preparation for the construction of the underground station. To reinforce the excavation walls, crews will be working below the traffic deck 10 p.m. – 6 a.m. welding steel struts to the vertical supports previously installed. Noisy excavation-related activities, such as rock breaking, will only occur between 7 a.m. and 8 p.m. Excavation and shoring in the 400-block of W. Broadway are anticipated to continue throughout February.

Please note, this information is current at the time of sending; however, schedules are subject to change. Visit [www.broadwaysubway.ca](http://www.broadwaysubway.ca) for current details.

## What to Expect

Residents will experience elevated noise during the work. Mitigation measures include, but are not limited to, using electric tools in place of diesel-powered machines, and installing white noise back-up beepers on construction equipment. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you in advance for your patience. Updates will be provided at [broadwaysubway.ca/construction](http://broadwaysubway.ca/construction), and the location of the work can be viewed on a map at: [broadwaysubway.ca/construction/maps/](http://broadwaysubway.ca/construction/maps/).
