

# The next phase of construction begins at the Elevated Guideway

February 2, 2023

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the Elevated Guideway that connects VCC-Clark Station to the Great Northern Way Station. Completion of the Elevated Guideway's 21 piers is imminent, and the next phase of construction to install the guideway begins in February 2023. The Elevated Guideway is expected to be completed by end of 2023.

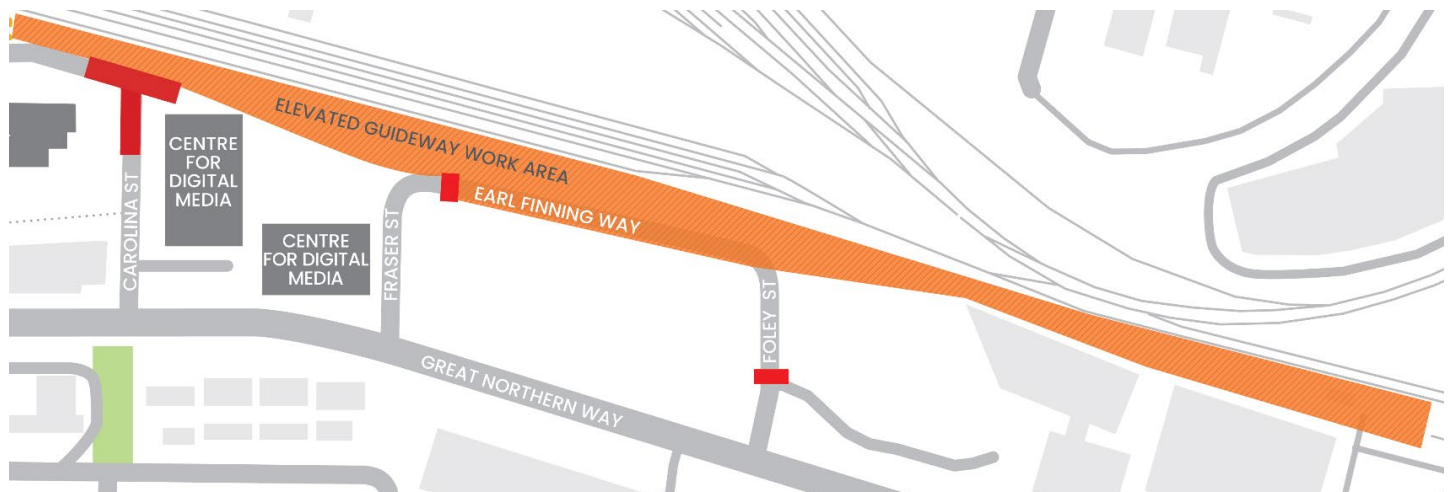

## Timing

- Regular hours of work are Monday to Friday and occasional weekend work, 6 a.m. to 9 p.m.
- Girder installation will involve some night work from 9 p.m. to 5 a.m.

## What to expect

- Some night work, including site lighting during night work.
- Increased construction vehicles and crane activity.
- Intermittent elevated noise during construction activities.
- Possible temporary road closures, reduced speed limits, and travel lanes.

Please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs. Check out our Project [video](#) for more details on how we are building the Elevated Guideway. The orange shaded area on map below illustrates the Elevated Guideway.
