

Intermittent noisy work on Arbutus Street north of W. Broadway begins August 21

August 18, 2023

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the future Arbutus Station. Crews will be using hydro vac machines intermittently on Arbutus Street between W. Broadway and 8th Avenue to install a new underground utility line. The work zone is identified in orange in the map below.

Timing

This work is expected to take place from Monday, August 21 until Friday, September 1 between 7 a.m. and 6 p.m., weather permitting.

What to expect

- Elevated noise levels related to the hydro vac work.
- Arbutus Street between W. Broadway and W. 8th Avenue will be closed to southbound traffic during work hours. This traffic change will be implemented for the full duration of the work.
- There will be intermittent single-lane alternating traffic on 8th Avenue between Arbutus and Yew streets during part of this work.
- There will be intermittent single-lane alternating traffic on Arbutus Street between 8th and 7th avenues during part of this work.
- There will be parking restrictions on 8th Avenue between Yew Streets and the Arbutus Greenway from August 25 until September 1 between 7 a.m. and 6 p.m.
- Pedestrian access will be maintained. Traffic control personnel will assist pedestrians as required.
- Vehicle access to the Shell gas station from Arbutus Street will be maintained in the southern entrance while the northern entrance will be closed.
- Sidewalks will be repaired after a settlement period of approximately six weeks, weather permitting.

Mitigation measures include, but are not limited to, noise dampening panels around the machines to reduce noise. Access for all abilities will be maintained to residences, businesses, schools and services. Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.
