

Line painting overnight on August 10 along W. Broadway

August 10, 2023

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the Millennium Line extension. Overnight on August 10, crews will refresh the traffic lines on Broadway in order to ensure the safety of all road users.

While there will continue to be temporary changes to accommodate construction activities, the current traffic configuration along Broadway will remain in place until the traffic decks are removed later in the project.

Timing

Line painting will take place overnight on August 10 from 8 p.m. until 4 a.m. the following morning.

What to expect

- Overnight work
- Intermittent elevated noise related to refreshing of road markings.
- Temporary traffic changes will be implemented on Broadway as well as Cambie Street between W. 7th and W. 10th avenues.

Mitigation measures include but are not limited to installing white noise back-up signals on equipment, monitoring any noisy activities so that mitigation measures can be adapted as needed, and directing lights away from residential buildings.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
