

Noisy work north of W. Broadway on Maple Street from December 15-19

December 14, 2023

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the future Arbutus Station. Crews will be working with hydro vac machines north of W. Broadway on Maple Street to perform utility work within our site. Work will be completed between December 15 and 19.

Timing

- Regular hours of work are Monday to Saturday from 7 a.m. to 8 p.m.
- No hydro vac work will be happening on Sunday, December 17.

What to expect

- People in the area can expect elevated noise levels. Noise dampening panels will be used to reduce noise related to the hydro vac machines.
- Access to businesses, health services, residences, and parking will be maintained.
- Please plan extra travel time, watch for wayfinding information, and obey traffic control personnel and all signs.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
