

Traffic Alert – Truck volumes will increase at Oak-VGH on December 19

December 15, 2023

- W. Broadway between Spruce and Laurel streets will be reduced to one lane in each direction on December 19 from 4:30 a.m. to 9 p.m.
- Concrete trucks will travel in a westbound direction to site via the laneway south of W. Broadway between Willow to Oak streets.
- Laurel St. will be closed to traffic south of W. Broadway to the laneway.
- The lane restrictions support the concrete activities at the future Oak-VGH Station construction site.
- Access to businesses, health services, and residences will be maintained.
- Please watch for and obey traffic control personnel and all signs, and plan extra travel time.
