

Arbutus Greenway detour changes coming in March

March 11, 2024

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood building the future Arbutus Station. Starting in March, the Arbutus Greenway Cypress Street detour will be rerouted via Maple Street and W. 7th Avenue. For details, see the map below. The detour via Yew Street will remain unchanged. This is a temporary traffic pattern change in the neighborhood, as Cypress Street north of W. Broadway will be closed to public vehicle access and cyclists during the disassembly of the tunnel boring machines (TBMs).

Timing

This temporary traffic pattern change will be in place for approximately five months.

What to expect

- Cypress Street north of W. Broadway will be closed to cyclists and public vehicle access. During this time, Maple Street north of W. Broadway will be reopened to vehicles and cyclists.
- Cyclists will be detoured via Maple and W. 7th Avenue to W. 10th Avenue.
- Pedestrian access at Cypress Street will be unaffected and will continue on the existing sidewalks.
- Advanced signage will be installed along the Arbutus Greenway to advise cyclists and pedestrians on the detour routes.
- A portion of the existing Arbutus Greenway will continue to be closed near Arbutus Street from W. 7th Avenue to W. 10th Avenue until the Project is complete.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
