

Concrete pour April 17 at the future Mount Pleasant Station

April 14, 2025

The Broadway Subway Project Corporation has scheduled a concrete pour at the future Mount Pleasant Station on Thursday, April 17. Further details are below.

Construction Activities

A concrete pour will take place on Thursday, April 17:

- Work hours: 8 a.m. to 3 p.m., with the first concrete truck arriving on site around 9 a.m.

What to expect

- A concrete pump truck will be set up inside the construction site on Quebec Street south of E. Broadway.
- Please note that concrete trucks are required to have their engines running at all times to keep their drums turning, and to use traditional back-up alarms for crew safety.
- During large concrete pours, there may be times when additional holding areas for concrete trucks are temporarily required.

Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- Concrete trucks will arrive to the pour location via E. 10th Avenue and Quebec Street, and will leave via the lane running between Quebec Street and E. 10th Avenue.
- The southbound curb lane on Main Street from E. Broadway to mid-block may be closed from 8 a.m. to 3 p.m. if concrete trucks are required to stage on Main Street.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
