

Concrete pour April 11 at the future Mount Pleasant Station

April 9, 2025

The Broadway Subway Project Corporation has scheduled a concrete pour at the future Mount Pleasant Station on Friday, April 11. Further details are below.

Construction Activities

A concrete pour will take place on Friday, April 11:

- Work hours: 8 a.m. to 3 p.m., with the first concrete truck arriving on site around 9 a.m.

What to expect

- A concrete pump truck will be set up on the west sidewalk and southbound curb lane on Main Street south of E. Broadway.
- Please note that concrete trucks are required to have their engines running at all times to keep their drums turning, and to use traditional back-up alarms for crew safety.
- During large concrete pours, there may be times when additional parking for concrete trucks is temporarily required. Your understanding is appreciated.

Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- The southbound curb lane and west sidewalk on Main Street south of E. Broadway toward mid-block will be closed from 8 a.m. to 3 p.m.
- Concrete trucks will arrive at and leave from the pour location via Main Street.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
