

## UPDATE: Concrete pours April 17 at the future Mount Pleasant Station

April 16, 2025

The Broadway Subway Project Corporation has scheduled two concrete pours at the future Mount Pleasant Station on Thursday, April 17. Further details are below.

### Construction Activities

Two concrete pours will take place on Thursday, April 17. Work hours:

- 5 a.m. to 10 a.m. on Main Street, with the first concrete truck arriving around 6 a.m.
- 6 a.m. to 1 p.m. on Quebec Street, with the first concrete truck arriving on site around 7 a.m.

### What to expect

- There will be two concrete pump trucks on site: One concrete pump truck will be set up on the west side of Main Street south of E. Broadway; a second concrete pump truck will be set up inside the construction site on Quebec Street south of E. Broadway.
- Please note that concrete trucks are required to have their engines running at all times to keep their drums turning, and to use traditional back-up alarms for crew safety.
- During large concrete pours, there may be times when additional holding areas for concrete trucks are temporarily required.

### Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- Concrete trucks will arrive to the Quebec Street pour location via E. 10th Avenue and Quebec Street, and will leave via the lane running between Quebec Street and E. 10th Avenue.
- The southbound curb lane and west sidewalk on Main Street from E. Broadway to mid-block will be closed from 5 a.m. to 10 a.m. The west sidewalk is expected to reopen around 10 a.m., however, the southbound curb lane may remain closed until 1 p.m. if concrete trucks are required to stage on Main Street.

## Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
