

## Permanent utility work continues September 22 through October in Mount Pleasant

September 19, 2025

The Broadway Subway Project Corporation is in your neighbourhood building the future Mount Pleasant Station. Crews continue to work on permanent utilities in the lane west of Main Street between E. Broadway and E. 8th Avenue. The first manhole installation is complete, and the installation of the second manhole begins September 22 and will continue through the end of October.

### What to expect

- Intermittent elevated noise related to construction activities. Most of this utility work will happen during regular work hours, however, some limited overnight work may be required and notified in advance.
- Increased trucks, construction equipment (including an excavator and hydrovac truck), and workers in the lane.
- Regular work hours are Monday to Saturday from 6 a.m. to 10 p.m. There may be occasional work overnight, and on Sundays and holidays.
- If overnight work is required, work hours can range from 10 p.m. to 6 a.m.

### Traffic

- A portion of the lane west of Main Street will be closed from E. Broadway toward E. 8th Avenue.
- Please watch for and obey traffic control personnel and all signs, and plan extra travel time.

### Mitigations

Mitigation measures include, but are not limited to:

- White noise back-up signals on equipment when possible.
- Barriers around noisy work when possible.

## Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
