## Arbutus Station – Intermittent Night Work Ongoing Through June 30

February 13, 2026

**Note: The notice from January 5, 2026 includes this work and we have updated scheduling to share.**

Crews will continue the construction of the future Arbutus Station. This work includes rebar installation, carpentry and related activities mostly inside the station. This work is an important step towards initiating above-ground construction. Some of this work will take place intermittently at night through the end of June 2026. We'll continue to share updates as this important project moves ahead in your neighbourhood. Further details are available below.

### Construction Activities

- Regular work hours continue through the day and night hours proceed from 10 p.m. to 6 a.m.

### What to expect

- Some intermittent elevated noise related to construction activities.
- If activities happen outside, there will be lighting focused on our sites to ensure crew safety.

### Traffic

- Temporary traffic changes may be in place during some construction activities.
- Access to businesses, health services, and residences will be maintained for all activities.

## Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
