

Arbutus permanent utility work – includes intermittent night work

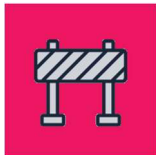

April 9, 2026

Permanent utility work at the future Arbutus Station is expected to begin as early as April 10. Work will take place along W. Broadway between Arbutus and Cypress Street and is expected to continue through spring. A map of the work area is provided below.

Construction Activities

- Utility reinstatement activities are expected to begin at the northwest corner of W. Broadway and Arbutus Street, with work occurring between Arbutus and Cypress streets as crews move between locations.
- Regular work hours are Monday to Saturday from 6 a.m. until 10 p.m. There may be occasional work on Sundays and holidays.
- When overnight work is required, work hours can range from 10 p.m. to 6 a.m.

What to expect during day and night work

- Activities include, but are not limited to, hydrovac work, saw-cutting, excavation, backfilling and resurfacing work.
- Increased trucks, construction equipment and workers in the area.
- Dust mitigation measures will be implemented throughout the work.

Traffic Conditions

- Arbutus Street will be intermittently closed to southbound traffic between W. Broadway and W. 8th Avenue. northbound traffic will be maintained while work is taking place in this area. Nighttime work on Arbutus Street may involve intermittent closures to vehicles between W. Broadway and 8th Avenue.
- Traffic control personnel will be deployed on W. Broadway between Cypress and Arbutus streets as required to manage construction truck movements.
- Left turn restrictions at the Arbutus Street and Broadway intersection; some right-turn restrictions will also be in place.
- Cypress Street will have intermittent lane closures between W. 8th and W. 10th avenues while work is taking place. During this time, Maple Street between W. 8th and W. Broadway will remain open to traffic.
- Access to businesses, health services, and residences will be maintained.

Mitigations

Mitigation measures include, but are not limited to:

- Noise barriers installed around some sources of noise, where possible.
- White noise back-up signals on equipment when possible.

The areas shown in **pink** along W. Broadway between Arbutus and Cypress streets represent reinstatement utility work zones; however, these areas do not indicate simultaneous work, as each section will be completed in phases over multiple days depending on site conditions, scheduling, and weather.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
