

## Overnight utility and road work in Mount Pleasant on May 19

May 15, 2026

The Broadway Subway Project Corporation is in your neighbourhood restoring E. Broadway between Main and Quebec streets. As part of this work, crews will be working at night on May 19 through to the following morning getting ready to reopen E Broadway to one lane in each direction on May 20. Crews will also complete connections to the new water main installed last month. This work will be performed overnight to limit traffic disruptions and minimize the impact of the water shut-off on businesses and residents.

### Construction Activities

Road work, including line eradication and painting, moving concrete barriers, changing traffic signs, covering traffic signal heads and completing water connections.

- Work hours are from 10 p.m. on May 19 to 7 a.m. on May 20.

### What to expect

- Residents and businesses may experience elevated noise, including but not limited to, line eradication, line painting, mobile cranes removing concrete barriers, saw cutting of utility pipes, and connecting utility pipes.
- Overnight lighting focused on our work area to ensure crew safety.
- Water connections completed during overnight work hours.

## Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
