

## Temporary two-block road closure on Broadway starts July 20

July 7, 2026

The Broadway Subway Project Corporation is in your neighbourhood getting ready to remove the traffic deck at the future Broadway-City Hall Station. On **Monday, July 20**, Broadway between Cambie and Alberta streets will close to vehicle traffic for approximately six months. During this time, buses and local traffic will be detoured around the closure using W. 8th Avenue. Sidewalks will remain open on Broadway and access to businesses, services and residences will be maintained at all times. Neighbourhood streets will remain open to all drivers to access residences, businesses, and services. Drivers who are commuting through the neighbourhood will be encouraged to use one of the other east-west routes.

The team continues to engage with businesses and residents, coordinate electrical changes, install fencing, place signage, prepare the road, and support bus trials to ensure that everything is set up for new traffic conditions between Alberta and Ash streets on W. 8th Avenue.

Check the [Current Work page](#) on our website for more information. Visit [TransLink.ca](https://translink.ca) for up-to-date transit information and bus stop locations.

### Construction Activities

- Regular work hours occur between 6 a.m. and 10 p.m.
- Occasional night work will be required in advance of the traffic changeover. Night work is scheduled for the week of July 13 with work hours between 10 p.m. and 6 a.m.
- Preparatory activities include: geotechnical work, concrete chipping, saw cutting, intermittent hydrovac work, landscaping, modifying sidewalks, paving, roadworks, line painting, line eradication, street cleaning, installation of safety barriers, and electrical work.

### What to expect

- Some elevated noise related to some activities.
- When travelling through construction zones, please plan extra time, watch for wayfinding information, and obey traffic control personnel and all signs.

## Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
