

Night work for permanent utility line installation next to Canada Line Station

August 28, 2026

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood reinstating W. Broadway near Broadway-City Hall Station. Starting August 30, BSPC will be working overnight for two nights installing permanent utility lines next to the Canada Line Station.

The utility tie-in is scheduled overnight when sanitary sewer flows are significantly lower. This approach minimizes impacts to daytime sanitary sewer use while helping to ensure the health and safety of crews performing the work.

Construction Activities

- Work hours: 10 p.m. to 5 a.m. on August 30 - September 1.
- Activities include, but are not limited to, intermittent hydrovac operation, pipe cutting, placing utility pipes and backfilling.

What to expect

- Elevated noise related to some construction activities.
- Sidewalks remain open and accessible; access will be maintained to residences, businesses, and services.

Traffic

- Work is happening with the station laydown and excavation area; no traffic changes are anticipated.

Mitigations

Mitigation measures include, but are not limited to:

- White noise back-up signals on equipment when possible.
- Noise barriers installed around hydrovac when in use.
- Directing lights away from residential buildings.
- Completing noisier work early in the night.
- Using quieter models of equipment at night when possible.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
